EVID70P
Pan/Tilt/Zoom Color
PAL Video Camera

$1,305.00

U.S.List Price

Overview

Take control with Sony's newest robotic pan/tilt/zoom color video camera - the new EVI-D70P - the successor to the industry leading EVI-D31. The EVI-D70P combines a high quality 1/4 type EXview HAD™ CCD color camera with the flexibility of a remote pan/tilt/zoom operation, all in a compact easy-to-use package. Compared to its predecessor, this superior EVI-D70 camera incorporates a wider pan/tilt range with an 18x optical zoom lens and a faster pan/tilt mechanism, making it ideal for distance learning, video conferencing, houses of worship, courtrooms, hospitals and nursing homes, events and concert halls, and just about any other remote shooting application. And best of all, it's ceiling mountable - a first for Sony's popular EVI cameras!

Highlights

*   1/4 type 380k pixel EXview HAD CCD
*   Wide Range Pan/Tilt: 340 degrees Pan / 120 degrees Tilt
*   High Zoom Ratio AF Lens: 18x Optical + 12x Digital
*   Excellent Low Light Sensitivity: Minimum illumination less than 1 Lux
*   Desktop or Ceiling Mount Installation
*   E:Flip Function (electronic flip): Electronically flips an image upside down so it displays correctly when ceiling mounted
*   37mm Mount for Optional Conversion Lens

*   Fully Remote Controllable via RS-232C (VISCA) or RS-422
*   Auto ICR Function
*   Auto Focus
*   Video Output: VBS (pin jack) and Y/C (4 pin MiniDIN)
*   Alarm Function
*   AE Spot Setting
*   Custom Preset Function
